SEO

OBJECTIVE

My objective is to further my skills while producing high quality work. I am looking for an employer that encourages a learning environment while providing a stable business structure.

STRENGTHS

I am a strong independent learner who is organized and pays attention to timelines and details; these attributes give me strong problem solving capabilities. I work well in groups but can also work independently.

EXPERIENCE

April 2008 to present

Ptak Web Development, Livermore, CA (owner)
Designed, maintained and developed websites plus tutoring in HTML and CSS

September 2005 to February 2008
